

2024 Ultrasound Field Technician Training Beef Cattle Beginners Training

Monday, August 26th to Tuesday, August 27th, 2024

Location: The CUP Lab[®], LLC and Iowa State University Beef Teaching Farm

The CUP Lab Beef Cattle Beginners Training is designed to give you an overview of ultrasound and how it is used to predict carcass composition of live cattle. This involves in-depth instruction of anatomy, image quality, equipment, and scanning. Emphasis is placed on recognition of landmarks, image quality, and proper application of data.

No equipment is required for you to attend training. We allow you access to all hardware type to use and choose the best hardware for your new business.

Registration is limited and will fill on a first come, first serve basis and registration is not complete until we receive full payment.

Register online at: www.cuplab.com

Cost:

- Register by Friday, July 26th: \$800 US Dollars

Cost includes: training materials, light breakfast, and lunch.

Cancellation must be made by Friday, July 26th for a full refund. After Friday, July 26th, no refunds will be given. A processing fee may be assessed for refunds after Friday, July 26th.

The date of certification will be during September in Texas. If you need equipment for certification, please let us know in advance so we can make the necessary arrangements. There is a nominal fee for equipment rental.

Upon registration, we kindly advise securing your hotel accommodations promptly to ensure availability. With demand expected to be high, securing your hotel booking early is strongly recommended to avoid any inconvenience. We appreciate your cooperation and look forward to welcoming you to Ames, Iowa.

The CUP Lab[®], LLC reserves the right to cancel training for attendance or weather.
